

**ADVANCED MANAGEMENT & SUPERVISORY
LEADERSHIP TRAINING PROGRAM**

**Salt Lake City, UT
November 3 - 7, 2025**

This Advanced Institute Program has been designed at the request of many institute graduates who wish to continue expanding their leadership capacity. The skill-building topics of this course will foster improved knowledge of the management and leadership role and prepare participants to make better decisions, prioritize and engage others in facing monumental leadership challenges. The sharing of knowledge and ideas with peers will enhance this learning experience.

The five day course includes (Mon-Thurs 8 am - 4:30 pm, Friday 8 am - 1 pm):

SECTION 1: LEADERSHIP AND SELF DEVELOPMENT. Vertical development and Horizontal development are new concerns in the field of Leadership development. Theorists claim that current methods are not preparing Leaders for our current level of organizational complexity, let alone whatever the future may bring. Innovation and technology are changing the way we consider leadership effectiveness. This section will attempt to define the problems and consider possible solutions.

SECTION 2: FOLLOWERSHIP. Supporting Leaders in using their power well. How to effectively partner with our leaders. Essential perspectives on creating an environment where followers are encouraged to be heard.

SECTION 3: ETHICS. Ethical theory, history and application in the public sector as it relates to leadership. Case studies and group problem resolution. If something is legal, is it also ethical? What is the leader's role in making such determinations?

SECTION 4: EMOTIONAL INTELLIGENCE. Emotional Intelligence is recognized as perhaps the most critical skill of leadership. Its importance was known and taught by early philosophers. Current research in neuroscience and social science support the role of EQ for improved relationships and more effective leadership. This class will break down the skills and practices to improve self-awareness, self -management, empathy and social awareness.
